

Alabama Reseller Certificate

In Alabama, anyone who is registered for an Alabama sales tax permit may buy items they intend to resell by **providing a copy of your Alabama sales tax license to your vendor**. Unlike many other states, you are not required to complete a resale certificate.

Keep in mind you are only allowed to buy items you intend to resell without paying sales tax. For example, it's allowable to buy inventory you plan to resale or items you intend to use to make inventory without paying sales tax.

On the other hand, you are not allowed to buy coffee, paper, office furniture, etc. without paying sales tax. While those items may be income tax deductions, they are not items you are purchasing for resale so sales tax must be paid when purchasing those items.
